Disclaimers: The above contractors have successfully completed a training course, exam, and certification process approved by the US EPA for abatement & lead-based paint renovation and repairs. This is not intended to be a specific endorsement of any or all persons and/or companies listed. Chautauqua County does not endorse any of the firms listed nor does it provide a warranty for their work. Consumers are advised to request bids for the work to be done & check references. The complete list of certified firms by area can be found on the website: www.epa.gov/lead. Updated 12/7/24 by AEP. For your convenience, the U.S. Environmental Protection Agency (EPA) publishes this list of certified renovation firms that meet EPA's standards to perform renovation activities involving lead-based paint. The list is an information resource only. EPA does not endorse any of the firms included on this list nor do we provide any warranty about their performance. Consumers are advised to request bids and conduct reference checks before engaging any firm/contractor.
