LOCAL LAW
INTRODUCTORY NO. 14-26
CHAUTAUQUA COUNTY

A LOCAL LAW AMENDING LOCAL LAW 7-1990, AS AMENDED, RELATING TO THE
MANAGEMENT SALARY PLAN BY PROVIDING FOR AN ANNUAL ADJUSTMENT OF
MANAGEMENT SALARY RANGES BASED UPON THE CONSUMER PRICE INDEX

BE IT ENACTED, by the County Legislature of the County of Chautauqua, New York as follows:

Section 1. Legislative Intent. The County Legislature finds that maintaining current and competitive salary ranges within the Chautauqua County Management Salary Plan is necessary to support the recruitment and retention of qualified management personnel. The purpose of this Local Law is to establish an objective method for periodically adjusting the minimum and maximum salary levels assigned to management salary ranges based upon changes in economic conditions as measured by the Consumer Price Index for All Urban Consumers (CPI-U).

The adjustments authorized by this Local Law are intended solely to modify the salary ranges assigned to management titles and shall not be construed as granting compensation increases to individual officers or employees.

Section 2. Annual Adjustment of Salary Ranges. Effective January 1, 2027, and on January 1 of each year thereafter, the minimum and maximum salary levels assigned to each salary range within the Chautauqua County Management Salary Plan shall be adjusted by the percentage increase, if any, in the Consumer Price Index for All Urban Consumers (CPI-U), Northeast Region, as published by the United States Department of Labor, Bureau of Labor Statistics, for the twelve-month period ending December 31 of the preceding year.

- A. The percentage increase in the CPI-U shall be applied uniformly to the minimum and maximum salary levels of each salary range contained within the Chautauqua County Management Salary Plan.
- B. In the event the CPI-U reflects no increase or a decrease during the applicable measurement period, no adjustment shall be made to the salary ranges for the succeeding year.
- C. The Director of Human Resources shall annually calculate the revised salary ranges and prepare an updated Management Salary Plan schedule reflecting such adjustments.
- D. The updated Management Salary Plan schedule shall be submitted to the County Executive and County Legislature no later than April 1 following the effective date of the adjustment.

Section 3. Effect on Individual Compensation. This Local Law authorizes adjustments only to the minimum and maximum salary levels assigned to salary ranges within the Management Salary Plan. Compensation decisions for individual employees shall continue to be

made in accordance with the Management Salary Plan, applicable County policies, budgetary appropriations, and the discretion otherwise vested in appointing authorities.

- A. If the CPI-U increases the minimum salary for a salary range to an amount that exceeds the current compensation of an employee assigned to that range, the employee's compensation shall be increased to the new minimum salary level.

Section 4. Applicability. This Local Law shall apply to all salary ranges established within the Chautauqua County Management Salary Plan pursuant to Local Law 7-1990, as amended, unless otherwise specifically provided by local law.

Section 5. Severability. If any clause, sentence, paragraph, subdivision, section, or part of this Local Law shall be adjudged by a court of competent jurisdiction to be invalid, such judgment shall not affect, impair, or invalidate the remainder thereof.

Section 6. Effective Date. This Local Law shall take effect on the latest of January 1, 2027, or forty-five (45) days after adoption, or upon approval by a majority of the qualified electors in the event a permissive referendum is held in accordance with the Municipal Home Rule Law.

**CHAUTAUQUA COUNTY
RESOLUTION NO. _____**

TITLE: Granting Senior Citizen Homeowners an Automatic Cost-of-Living Increase for the Senior Real Property Tax Exemption

BY: Administrative Services and Audit & Control:

AT THE REQUEST OF: Legislators Marcus Buchanan and Robert Whitney:

WHEREAS, Chautauqua County has offered a partial real property tax exemption since 1967 to senior citizen homeowners whose income falls below a certain level, as established by resolution; and

WHEREAS, the purpose of the Senior Citizen Homeowners' Real Property Tax Exemption is to help qualifying senior citizens remain in their homes and afford the increasing costs associated with homeownership; and

WHEREAS, the cost of living continues to increase, including the cost of property taxes, utilities, food, insurance and other necessities; and

WHEREAS, when the income eligibility limit for the senior citizen exemption remains unchanged while Social Security, pensions and other fixed-income sources increase due to cost-of-living adjustments, some senior citizens may lose their property tax exemption even though their actual purchasing power has not substantially increased; and

WHEREAS, Chautauqua County recently increased the income eligibility limit for the Senior Citizen Homeowners' Partial Real Property Tax Exemption to \$32,000 effective March 1, 2026; and

WHEREAS, the County Legislature has provided automatic cost-of-living adjustments to certain elected county officials; and

WHEREAS, it is the intent of this resolution to provide a consistent and predictable method of adjusting the senior citizen income eligibility limit so that qualifying seniors are not unnecessarily removed from the program solely because of inflationary increases in their income; and

WHEREAS, New York Real Property Tax Law §467 authorizes counties to establish an income ceiling for the Senior Citizen Homeowners' Partial Real Property Tax Exemption, subject to the limits established by state law; and

WHEREAS, the County Legislature believes that senior citizens who have worked, paid taxes and contributed to our communities should not be forced out of eligibility for a property tax exemption simply because their fixed income increases at a rate that does not keep pace with the rising cost of living; now therefore be it

RESOLVED, that effective beginning with the next taxable status date in 2027, the County of Chautauqua shall increase the income eligibility limit for the Senior Citizen Homeowners' Partial Real Property Tax Exemption by the same annual percentage cost-of-living adjustment provided to the County Executive, Sheriff, County Clerk and County Legislators, provided that such adjustment is consistent with applicable New York State law; and be it further

RESOLVED, that the County Legislature shall review the resulting income eligibility limit periodically to ensure that the program remains financially responsible and continues to serve senior citizens who are most in need of property tax relief.

BY: Public Safety and Audit & Control Committees:

AT THE REQUEST OF: County Executive Paul M. Wendel, Jr.:

WHEREAS, the Office of the Sheriff has multiple 911 Tower Sites with Cummins-brand generators; and

WHEREAS, standardizing the brand will assist the Office of the Sheriff in regulating costs by eliminating the need to stock parts and train staff for several brands of this product, as well as enabling the Office of the Sheriff to take advantage of bulk purchase discounts provided by the supplier and making it possible for all divisions of the Office of the Sheriff to share parts when necessary; now, therefore, be it

RESOLVED, that the Legislature of the County of Chautauqua finds that standardization of Cummins-brand generator products for the Office of the Sheriff use in 911 Tower Sites is in the best interest of the Agency and the County of Chautauqua.
