January, 1981

State Board of Elections
Twin Towers 99 Washington Av.
Albany, New York 12210

Pursuant to the New York State Election Law, sections 3-212, and 15-09 of the Chautauqua County Administrative Code, we submit the Board of Election's Annual Report for the calendar year of 1980.

The political year began with Central Voter Registration, (E.L.ss 5-200) for the purposes of the 1980 annual report on Friday, December 7, 1979.

The Presidential Election results of November 4, 1980 were as follows:

	CARTER (Dem)	REAGAN (Rep)	REAGAN (Cons)
Chautauqua County:	22,871	28,224	1,857
New York State:	2,728,372	2,637,700	256,131
United States:	35,481,435	43,899,248	_____

Few people realize that our county is the 16th largest in population of the 57 counties located outside of New York City. Forty one counties are smaller! All election expenses must be paid by the county. The Board of Elections is undoubtedly the largest unit of County government that receives mandates from the Courts, Federal and State governments with ZERO dollars of support! ! !

Concomitant with E.L.ss 5-400, ss 5-406 mandates a Purge List to begin in the second week in December and be completed not later than the third week in the succeeding January. All permanent records and data related to the more than 71,392 enrolled voters have to be individually examined to verify if the registrant has voted at least once in a general, primary, or special election during the past two years. All those who have not must be notified by mail. The number of those purged in the month of December are as follows:

Year:	1980	1979	1978	1977	1976	1975	1974	1973
Purged:	4,115	7,381	11,007	4,160	4,363	4,775	12,179	4,471

The continuing fallacy of the New York State Election Law of removing registered voters for not voting every two years is evident in the large number of registrants removed in 1978 and in 1974... two years after the Presidential elections. Every county has a large number of these registrants that cannot be legislated to vote more frequently than the Presidential election, i.e., every 4 years. A cost reduction and better service to these individuals would result in a four year purge, and would eliminate registering to vote and processing of forms.

The cancellation of these registered voters occurs when they fail to fill out, sign and return the re-instatement request form within three weeks of the postmark on the notification. After this three-week interval in January, the newly compiled list of Enrolled Voters is then sent to the printer, pursuant to E.L.ss 5-604 in conjunction with the need of E.L.ss 8-100 concerning Primary elections. Such lists must be printed prior to the first day of March in which there is a Spring Primary.

Our efforts to process this data is impeded by E.L.ss 5-302(4) which states that we cannot open the entire year's enrollment (except Special Enrollment) until the Tuesday following the General Election and the process must be completed not later than the 30th day preceding the last day to publish enrollment lists. Registration records under E.L.ss 5-612 and ss 15-118 are used for Village and School District elections. Election Law ss 15-118 states if such village does not require Permanent Personal Registration, they (Village Inspectors of Elections) shall adopt or copy such names from the registration lists certified and supplied by the County Board of Elections to the extent applicable. Unfortunately, only 4 villages, i.e., Brocton, Celoron, Fredonia, and Lakewood village lines conform to the Town election districts. Thus the Inspectors in the other 11 villages must be sufficiently knowledgeable where the legal village/town lines are in order to extract the registrants to be placed on the registration rolls for Village elections.

Since September 1, 1973, all of the 15 County Village Elections are conducted under Article 15 of the Election Law. The Election Officer is the Village Clerk under section 15-124 of the Election Law. In addition to supplying voter registration lists, the Board of Elections is involved by publishing Village Election Calendars; supplying information of the office and vacancies which are up for general village election per E.L.4-106, 15-104, and V.L.3-302; canvassing voting machines upon candidate request E.L.ss 15-126(2), and such Election Law and procedures as are germane.

Fourteen villages had Registration on March 1st and Fredonia on February 23rd. The village election day was on March 18th with the exception of Fredonia which was March 10th. Village candidates for office had this schedule:

Fredonia Only:		
Jan 15	First day to sign independent petitions	Jan 7
Jan 22	First day to hold a Party Caucus	Jan 14
Jan 29	Last day to hold a Party Caucus	Jan 21
Feb 26	Last day to file Independent Petitions	Feb 18

Furthermore, any qualified Village elector may register centrally or by mail until 10 days before (E.L.ss 5-200) an election, i.e., February 20th, or Fredonia on February 13th. This office must then forward those village Supplemental Registration Lists to such Clerks immediately for the Tuesday, March 18th election (Fredonia Mar.10th).

Financial reports are required from the village candidates where there is a population of 5,000 or more residents in the village (EL.14-124(6)). Only Fredonia meets this category. However, unless the aggregate receipts of said candidate and his authorized committees, or the aggregate expenditures made by such candidate and his authorized committees exceed \$1,000 such financial reports must be filed irrespective of population.

Board of Elections registrants are automatically qualified to vote in Village elections. Conversely, an individual who registers to vote under the Village and School registration system is NOT automatically qualified to vote in a November General Election. Such person must personally register again under P.P.R. or use the mail registration forms in order to vote in a November General Election. Thus, many village residents and school voters are confused and disenfranchised by this registration system when they attempt to vote in a November Election.

On Tuesday, March 25, 1980 (one week after Village elections) a Democratic Primary Election was held. The contest was for Presidential Delegates to the Democratic National Convention. Party voter turn-out was as follows:

<u>Democrats :</u>	<u>Eligible</u>	<u>Voted</u>	<u>Percent</u>
In Towns	13,615	2,686	19.73
Cities	10,657	2,088	19.59
	24,272	4,774	19.67

Canvassing of the 131 voting machines was completed by 5:00 pm on Friday, March 28th.

At least 8 months before the General Election, each County, City, Village, and Town Clerk, pursuant to E.L.ss 4-106, 15-104 and V.L.ss 3-302 shall make and transmit to the Board of Elections a certificate stating each County, City, Village, and Town officer respectively, to be voted on at the General Election. Within 3 days after the occurrence of any vacancy in an office required to be filled at the next General Election, such Clerk shall file with the County Board of Elections, a Certificate indicating the occurrence of the vacancy and the position which is to be filled. A vacancy occurring before September 20th of any year must be on the November ballot (P.O.L.ss 42) that year.

Any proposal, proposition or referendum as provided by law, that is to be submitted to a vote of the people shall be transmitted to the Board of Elections (E.L.ss 4-108(b)) at least 29 days prior to the Election by the Clerk of a County, City, Town, Village, or special district, at an election conducted by the Board of Elections.

The concentration of such information in our office generates many inquiries throughout the year concerning the Election Law, petitions, party caucus,

primaries, general elections, A.B.C. local option, referendum, special elections, school board elections, fire districts, June State, National and September Judicial Designating Convention.

In the month of May, this office completed its ninth annual voter registration drive within the high schools of Chautauqua County and other areas. Positive response to this effort is shown in the figures below which gives a nine year total for comparison. Such registrants are informed of enrollment, absentee balloting, impending School Board elections, Primaries, Special Elections, and the November General Election.

High School voter registration and field registration is conducted by our permanent staff and/or temporary help which we use to train many Election Inspectors. The results were as follows:

The Board of Elections administered the Oath of Office to the election Inspectors of Dunkirk and Jamestown on July 14th and 16th in their respective City Halls between the hours of 10:00 a.m. and 3:00 p.m. In Dunkirk 45 Inspectors out of the 64 recommended took their oath of office in person on July 14th. Eighty Jamestown Inspectors out of the 104 were sworn in, two days later. A total of 204 Election Inspectors were eligible to take the oath of office.

In preparation for the Primary and General Election, a School of Instruction for Election Inspectors and Alternate Inspectors was held in the Hall Clothier

Building auditorium. A total of six afternoon and evening classes was held with a total of 557 persons attending.

All Election Inspectors and Alternates shall be paid not less than \$5.00 for each training session and mileage not to exceed the rate approved by their respective municipality for attending such school (E.L.ss 3-412, 3-420).

A centralized school of instructions permits the use of office equipment, supplies, and voting machine. Written examinations were administered to all new inspectors and which covered the Election Law.

This office conducted the eighth and ninth Primary Election that permitted absentee voting since enactment in 1974.

The last date for requesting absentee ballots by mail was September 2, in person by September 8. This office finished canvassing all 131 voting districts by September 12, and certified such results to Albany.

On the 16th of September, 63,766 presorted mail check cards at 9¢ each (total cost \$5,738.34) were sent to registered voters. This mandate (E.L. 5-712) notifies the voters of the days and hours of local registration and general election and the fact the registrant must reregister if such person has moved.

This year 16 townships, with more than one election district, and the City of Jamestown opted to consolidate the number of registration places for Friday, October 10 and Saturday, October 11. The hours were from Noon until 9 P.M. with 3,550 people registering in person at 60 polling places instead of the usual 131 Election Districts.

** This report requirement is waived if the 27 Day Post-Primary Report is required and submitted, containing the information required to be filed in the October 3rd report

In addition to the above filing dates, financial statements shall also be filed on the 15th day of January, May, and September, of each subsequent year until such time as the candidate or committee terminates activities. The cut-off date for these statements will be the 11th day of the appropriate month E.L. 14-108(2).

Due to the time schedules mandated by the New York State Election Law, unusually heavy demands have been made on the County Printing Department by this office. For example, E.L. ss5-602 mandates the printing of voter registration lists for each of the new local 3,550 registered voters of Oct. 10 and 11, and the 4076 mail registrants received after August 11 and whose final deadline was October 6th.

Furthermore, E.L.ss 5-200(2) stipulates that a qualified person could move up to and including October 24 thus changing his address and possibly the election district. Therefore, accurate supplemental registration lists must be printed quickly after this date.

This office is mandated by E.L.ss 5-602 for the distribution of such lists before the sixth day that the General Election occurs. The date this year was October 29, 1980. E.L.ss 5-602(3) compels distribution of Registration Lists before the 6th day to the State Board of Elections.

The Presidential Election interest is evident also in these categories for various ballots issued in November for several years:

Included in the above statistics were 20 special Federal Voter Ballots with 17 being returned. Also 10 Special Presidential Ballots were sent and returned.

This is the sixth year all New York State Boards of Election are mandated by law to obtain "unofficial" results the night of Primary and General Elections, (E.L.ss 9-126(2B)). This required the use of 30 electric adding machines "borrowed" from various departments within the County Court House. Our staff of twelve was augmented by volunteers using thirty-five telephones to receive the unofficial results.

The day following the General Election this office received the election supplies which were returned from all of the 131 Election Districts, the bulk of which received before noon. The Town of Harmony now has 2 Election Districts as of August 4, 1980.

Traveling bi-partisan teams consisting of permanent employees began the canvass of the 150 voting machines and verification of the results as recorded by the Election Inspectors. This physical inspection was completed by the following Friday at 5:00 P.M. At this time temporary help is needed annually to process the voluminous statistics in order that this office may certify the results within the mandated time. Certified copies of Election results were finished and mailed (E.L.ss 9-214) prior to the 25 day deadline after election. The various offices were to be filed with the State Board of Elections, Attorney-General and Secretary of State.

This office has just completed its third year under Recodification of the Election Law Chapter 233 Laws of 1976 with the effective date being December 1, 1977.

The addressing of purge cards to individuals due to their not voting during the past two years was completed on December 19, 1980, for mailing on January 2, 1981.

The purge statistics reveal:

	WHOLE#	REPUBLICAN	DEMOCRAT	OTHERS
Dunkirk.....	385	77	196	112
Jamestown.....	907	269	428	210
Towns.....	2,853	1,047	946	860
COUNTY TOTAL	4,145	1,393	1,570	1,182

In addition, there were 568 previously reinstated individuals removed for not voting (E.L. 5-406(2)) the past 4 years.

This office is in reality, an office of vital statistics of the most current information available on a county-wide basis. Each and every month pursuant to E.L.ss 5-400, 5-708, this office receives from the public recording officers of the 15 villages, 27 towns, and 2 cities, the deaths in their respective areas in order that we may remove the deceased person from the current registration list. The continual updating of names and addresses as mandated by the Election Law of Chautauqua County residents in our office results in many requests for information from the Courts, FBI, Social Security Administration, attorneys, private agencies, and individuals.

Contrary to common belief, this office is not the only source of names to Federal and County Courts for use as potential jurors. In fact, this office provides other such services for several County Departments.

On December 1, 1975, Registration and Enrollment by mail first went into effect. In order to facilitate voter registration these forms are now available at the Clerk's office of the two cities, 15 villages, and 27 towns. This office received and processed 5,293 new registrants by mail during the 1980 Registration and Enrollment year.
