NYS BOARD OF ELECTIONS

The Chautauqua County Board of Elections has responsibility for all permanent records and data relating to 78,715 enrolled voters. These records must be individually examined to verify if the registrant has voted at least once in a General, Primary, or Special Election during the past four years. A total of 2,555 individuals were removed (purged) before January 15, 1986, for not meeting this requirement.

Financial reports are required from the village candidates and/or committees where there is a population of 10,000 or more residents in the village, or an expenditure of more than one thousand dollars. Only Fredonia meets this population category. However, unless the aggregate receipts of said candidate and his authorized committees, or the aggregate expenditures made by such candidates and his authorized committees exceed \$1,000, such financial reports must be filed regardless of population.

Due to the 1980 census and the resulting reapportionment, nine villages now have all the Election Districts wholly within the village. They are: Lakewood, Mayville, Celoron, Falconer, Silver Creek, Forestville, Fredonia, Brocton and Westfield.

Since September 1, 1983, all of the 15 county Village Elections are conducted under Article 15 of the Election Law. The Election Officer is the Village Clerk. In addition to supplying Voter Registration and Permanently Disabled Voter lists, the Board of Elections is involved in publishing Village Election calendars; supplying information of the offices and vacancies which are up for Election.

Candidates may request a canvass of the Village results by the Board of Elections. A request was made for the Village of Westfield and a canvass was conducted in 1985.

Board of Elections registrants are automatically qualified to vote in Village Elections. Conversely, an individual who registers to vote under the non-personal method in the Village and School Registration system is NOT automatically qualified to vote in a November General Election. (The only exception is the Village of Celoron, which has adopted Permanent Personal Registration). Such persons must personally register under P.P.R., or use the mail registration forms in order to vote in a November General Election.

Fourteen Villages had Saturday registration on March 9th, and Fredonia on Friday, March 1st. The Village Election day was March 19th, with the exception of Fredonia, which was Monday, March 11th. Village candidates for office had the following schedule;

		Fredonia Only
Jan. 15	Tues-First day to sign Independent Petitions	Jan. 7 Mon.
Jan. 22	Tues-First day to hold a Party Caucus	Jan. 14 Mon.
Jan. 29	Tues-Last day to hold a Party Caucus	Jan. 21 Mon.
Feb. 26	Tues-Last day to file Independent Petitions	Feb. 18 Mon.

Any qualified village elector may register centrally or by mail until 14 days before a Village Election, March 5th or Fredonia on February 14th.

At least 8 months before the General Election, each County, City, Village and Town Clerk, pursuant to E.L. ss 4-106, 15-104, and E.L. ss 3-302, must make and transmit to the Board of Elections a certificate stating each County, City, Village and Town offices respectively, to be voted on at the General Election. Within 3 days after the occurrence of any vacancy in an office required to be filled at the next General Election, such Clerk must file with the County Board of Elections, a certificate indicating the occurrence of the vacancy and the position which is to be filled. A vacancy occurring before September 20th of any year must be on the November ballot (P.O.L. ss 42) that year. The concentration of such information in our office generates many inquiries throughout the year concerning the Election Law, Petitions, Party Caucus, Primaries, General Elections, A.B.C. local option, Referendums, Special Elections, School Board Elections, Fire District, State, National and September Judicial Designation Convention.

In the month of May, this office completed its fourteenth annual voter registration drive within the high schools of Chautauqua County. Positive response to this effort is shown in the figures below which give a twelve year total for comparison. Such registrants are informed of enrollment, absentee ballots, impending school board elections, primaries, special elections and the November General Election. This project is conducted by our permanent staff.

The Board of Elections administered the Oath of Office to the Election Inspectors of Dunkirk and Jamestown on July 11th and July 12th, in their respective City Halls between the hours of 10:00 A.M. and 4:00 P.M. In Dunkirk, there are 64 Election Inspectors, not including alternates. In Jamestown, there are 140 Election Inspectors, not including alternates. A two-city total of 204 Election Inspectors were eligible to take the Oath of Office.

In preparation for the Primary and General Election, a School of Instruction for Election Inspectors and Alternate Inspectors was held in the Hall Clothier Building Auditorium. A total of six afternoon and evening classes were held with about 500 persons attending.

All Election Inspectors and Alternates shall be paid not less than \$5.00 per each training session and mileage not to exceed the rate approved by their respective municipality for attending such school. E.L. ss 3-412, 3-420.

A centralized school of instructions permits the use of office equipment, supplies and voting machine. The State Board of Elections' written examination was administered to all new Inspectors and Alternates and to those individuals who have not attended this school within the past five years. E.L. ss 3-412(1).

On the 19th day of August, 77,403 computer pre-sorted mail check cards, at .101¢ and 23 at .125¢ (total cost \$7,820.57) were sent to registered voters. There were a total of 8,695 undeliverable cards at a cost of \$1,912.90. Each of the mail check cards contained this statement: "If you or any registered member of your family are Physically Disabled OR will not be in Chautauqua County on ELECTION DAY, you may apply and vote by absentee ballot". This timely reminder caused an immediate response for absentee ballot applications. The same statement, with similar results, was contained in all legal ads. A large reduction in postal costs was achieved through an amendment to E.L. ss 8-400(4) and 15-122(4) effective August 1, 1984, which allowed absentee ballots to be sent to the Permanently Physically Disabled by first class instead of by certified mail.

A fortuitous and timely change in chapter 213, Laws of 1984, concerning E.L. ss 4-106(5) permitted a reduction in the number of polling places in time for the September 10th Primary. Only 31 of the 132 polling places were open. This office finished canvassing all 31 voting districts by September 12th. This is the 15th Primary Election that permitted absentee voting since enactment in 1974.

Registration lists with enrollments had to be printed for the Election Inspectors use (E.L. ss 5-502) for the October 12th local registration. Due to the short time schedules mandated by the New York State Election Law, unusually heavy demands have been made on the County Printing Department by this office for the printing of such lists. There were 76,167 registrants in 132 Election Districts that appeared in the 1985 enrollment books

Local Registration was held on October 12th at 44 consolidated registration locations throughout Chautauqua County. This reduction in registration polling places results in a direct cost savings to those municipalities. A total of 1,313 voters were registered. Following local registration, this office sends out mail check cards to each of the new or transferring registrants.

Any proposal, proposition or referendum as provided by law, that is to be submitted to a vote of the people, shall be transmitted to the Board of Elections E.L. ss 401(b) at least 29 days prior to the Election by the Clerk of a County, City, Town, Village, or Special District, for an Election conducted by the Board of Elections. In order for this office to meet the Justice Department schedule, we must have such questions early in order to have such items printed on the absentee ballots pertaining to each particular municipality.

The Supplemental Registration lists must be printed to include each registrant for Local Registration as well as those who have registered since the January 31st printing of such books.

E.L. ss 5-200(2) stipulates that any qualified person who has moved within the county or city of his residence after the last day for registration, may register and vote at the General Election held at least 10 days after such registration, thus changing his address and possibly the election district. Therefore, accurate supplemental registration lists must be printed quickly within this short work period. This office is mandated by E.L. ss 5-602(1) for the distribution of such lists before the sixth day before the General Election occurs, or October 30, 1985.

This is the 11th year that all New York State Boards of Election were mandated by law to obtain "unofficial" results the night of Primary and General Elections, E.L. ss 9-126 (2B). This required the use of many electric adding machines borrowed from various departments within the County Office Building. Our staff of 10 was augmented by volunteers (mainly county employees) using 35 phones to receive the unofficial results.

The day following the General Election this office received the election supplies which were returned from all the 132 Election Districts.

Due to the closeness of several races, the canvassing of the county's voting machines was conducted by the Republican and Democrat Commissioners, along with attorneys and representatives for each office. The standard procedure is to use bi-partisan teams consisting of permanent employees and the two Commissioners. This special team of canvassers also inspected and counted the absentee ballots this year...a procedure normally performed by the permanent staff of the Board of Elections.

Finally, certified copies of the election results were finished and mailed to Albany prior to the 25 day deadline following the election.

E.L. ss 9-214.
