JANUARY 31, 1991

JOSEPH PORPIGLIA
Election Commissioner (D)

TO: COUNTY EXECUTIVE
COUNTY LEGISLATURE
CHAUTAUQUA COUNTY

N.Y.S. BOARD OF ELECTIONS
ONE COMMERCE PLAZA, BOX 4
ALBANY, NEW YORK 12260

As mandated by New York State Election Law, the Chautauqua County Board of Elections has two Election Commissioners, Terry Niebel (Republican) and Joseph Porpiglia (Democrat). The support staff includes eight members who provide equal representation for each of the two major political parties.

The Board of Elections supervises all elections within the county for federal, state, county, city and town offices. This responsibility entails the certification of names of candidates for various offices; printing the official ballots and voting machine supplies; and tallying the election results. In preparation for each election, the Board processes and maintains voter registration forms, I.D. cards and applications for absentee ballots. A school of instruction provides the election inspectors with an update on the election laws concerning registration and voter qualifications.

In 1990, the Board of Elections was responsible for maintaining permanent records on 72,583 registered voters. These records are individually examined each year to verify if the registrant has voted at least once in a General, Primary or Special Election during the past four (4) years. If a voter does not vote at least once during a four (4) year period, his registration is cancelled (purged). In January 1990, 2,447 registrations were purged.

Since September 1, 1983, all of the fifteen (15) Village Elections are conducted under Article 15 of the New York State Election Law. The Election Officer is the Village Clerk. In addition to supplying Voter Registration and Permanently Disabled Voter lists, the Board of Elections is involved in publishing Village Election calendars; supplying information of the offices and vacancies which are up for election. Also, candidates may request the Board of Elections to recanvass Village Election results.

Board of Elections registrants are automatically qualified to vote in Village elections. Conversely, an individual who registers to vote under the non-personal method in the Village and School Registration system is **NOT** automatically qualified to vote in a November General Election. (The only exception is the Village of Celoron, which has adopted Permanent Personal Registration, PPR). Such persons must personally register under P.P.R., or use the mail registration forms in order to vote in a November General Election.

Fourteen Villages had Saturday registration on March 10, 1990, and Fredonia on Friday, March 2nd. The Village Election Day was March 20th with the exception of Fredonia, which was held on Monday, March 12, 1990.

1990 Village Schedule (partial)

Jan 9	Tues-First day to sign Independent Petitions	Fredonia ONLY Jan 1 Mon
Jan 23	Tues-First day to hold a Party Caucus	Jan 15 Mon
Jan 30	Tues-Last day to hold a Party Caucus	Jan 22 Mon
Feb 20	Tues-Last day to file Independent Petitions	Feb 12 Mon

Any qualified Village Elector may register centrally, or by mail, until 14 days before a Village Election.

At least eight (8) months before the General Election, each County, City, Village and Town Clerk, pursuant to N.Y.S.E.L. §4-106, must make and transmit to the Board of Elections, a certificate stating each County, City, Village and Town office, respectively, to be voted on at the General Election. Within three (3) days after the occurrence of any vacancy in an office required to be filled at the next General Election, such clerk must file with the County Board of Elections, a certificate indicating the occurrence of the vacancy and the position which is to be filled. N.Y.S.E.L. §4-106(4) A vacancy occurring before September 20th of any year, must be on the November ballot of that year. The concentration of such information in our office generates many inquiries throughout the year concerning the Election Law, petitions, party caucus, primaries, general elections, ABC local option, referendums, special elections, school board elections, fire districts, state, national and September judicial designation convention.

During the months of April and May, this office conducted its nineteenth annual voter registration drive at all high schools throughout the county. Our staff also provides information and registers voters at the Chautauqua County Fair in the month of July. Such registrants are informed of enrollment, absentee ballot applications, impending school board elections, primary, special elections and the November General Election. The figures below illustrate a ten year comparison:

Chautauqua County has a total of 132 election districts--the Board of Elections selects and appoints *(from a list of recommendations) four (4) Inspectors for each district, equally divided between the two major political parties, on or before the 15th day of July for a term ending on the 14th day of July of the following year. N.Y.S.E.L. § 3-400 and § 3-404.

*Each political party, by the first day of May, files an original list of persons recommended to serve as Election Inspectors.

This year, in preparation for the Primary and General Elections, the school of instruction for Election Inspectors and Alternate Inspectors was held in three locations throughout the county. Afternoon and evening classes were held on August 21st in the City of Jamestown; August 22nd in Dunkirk; and on August 27th in Mayville, with an attendance of 540 persons.

The Election Commissioners conduct this annual training school to inform the Inspectors on procedures for the September Primary, the use of voting machines, taking of registrations on Local Registration Day(s), and the General Election.

All Election Inspectors and Alternates are paid not less than \$5.00 per each training session and mileage, not exceeding the rate approved by their respective municipality, for attending such school. N.Y.S.E.L. § 3-420.

Computer pre-sorted mail check cards were sent to registered voters--71,420 on August 10th and 2,131 on October 24th. During 1990, 1,121 registrants were cancelled based on returned mail check cards and additional investigation.

A portion of the mail check card also serves as an I.D. card certifying that the voter is a citizen of the United States, this portion of the card should be detached and saved. Along with the voter's name, address and registration number, the card informs the voter of the time and dates for the Primary Election, Local Registration Day(s), General Election and the location of his/her polling place. A notice on the reverse of the card states that this communication is a routine check to ascertain whether the voter is still residing at the same address and informs the voter of the availability of Absentee Ballot Applications, if he or any registered member of his family will be out of the county on Election Day.

Fall Primary - Tuesday, September 11, 1990: a total of 1,356 voters turned out for the Primary Election--there was a county-wide Democratic Primary for State Comptroller (1,013 Democrat voters); Republican Party Primary: for member of county committee in the Town of Carroll E.D. 1 only (69 voters); Conservative Party Primary county-wide for member of state committee; delegate and alternate delegate to the 8th judicial district convention - 150th assembly district; also, in various election districts, for member of county committee (274 voters). The Right to Life and Liberal Party Primaries were all uncontested.

Pursuant to §5-202 of the New York State Election Law, Local Registration was held on Saturday, October 13, 1990 at 43 consolidated registration locations throughout Chautauqua County. A total of 818 voters were registered.

As of January 31, 1990, enrollment books, containing 70,633 registrants in 132 Election Districts, were printed from computer lists by our County Print Shop. Following Local Registration, Supplemental Registration lists were printed to include each registrant for Local Registration as well as those who had registered since the January 31st printing of such books. A total whole number of registered voters as of October 31, 1990 was 72,583.

N.Y.S.E.L. §5-200 stipulates that any qualified person who has moved within the county or city of his residence after the last day for registration, may register and vote at the General Election held at least 10 days after such registration, thus changing his address and possibly his election district. Therefore, accurate supplemental registration lists must be printed quickly within this short work period. This office is mandated by N.Y.S.E.L. §5-602(1) for the distribution of such lists before the sixth day before the General Election occurs, or October 30, 1990.

N.Y.S.E.L. §3-214(3) was amended in 1986 requiring our office to remain open on at least two business days until at least 7:00 P.M. and on Saturdays from not later than 9:00 A.M. until at least noon in each of the two calendar weeks before the General Election. Our staff was scheduled to meet this requirement.

General Election Day, November 6, 1990, the Board of Election office was open from 5:30 A.M. until after the unofficial telephone results were taken and compiled at approximately 11:00 P.M.

Canvass teams, one staff member of each party, began the canvass of all voting machines used in the General Election. The machine canvass was completed on Friday, November 9th. Absentee and affidavit ballots were canvassed in the Board of Elections office, with official results certified on November 28, 1990.

Pursuant to N.Y.S.E.L. §9-214, certified copies of the election results were mailed to the State Board of Elections prior to the 25 day deadline following the General Election.

Finally, a complete report of expenditures made by the Board of Elections for the calendar year of 1990, up to and including December 1st, was submitted to the Clerk of the Chautauqua County Legislature. N.Y.S.E.L. §4-138.
