1994 ANNUAL REPORT

In accordance with New York State Election Law, the Chautauqua County Board of Elections has two Election Commissioners, Republican Terry Niebel, and Democrat Joseph Porpiglia. The support staff includes eight members, who provide equal representation for each of the two major political parties.

The Chautauqua County Board of Elections conducts all elections within the county for federal, state, county, city, town, and Village of Celoron offices. This responsibility includes primarily the preservation of one's right to vote. Responsibilities of the Board also include preparing the ballot and canvassing the vote to declare elected officials for all established public and party positions. The profile of government units in addition to federal, state, and county at-large obligations include: 31st congressional district (part), 57th state senate district (part), 149th assembly district (part), 150th assembly district, twenty-five county legislative districts, two cities, twenty-seven towns, fifteen villages, and one hundred thirty-six election districts.

According to the 1990 census, Chautauqua County has a population of 141,895 of which 105,963 are eighteen years of age or older. In 1994, the Chautauqua County Board of Elections maintained 77,291 voter registration records.

PRIMARY ELECTION SEPTEMBER 13th

4,586 voters went to the polls on primary day. Enrolled voters of the Democrat, Republican, and Conservative parties selected their respective representatives. All one hundred thirty six election districts were organized to accommodate the voters.

GENERAL ELECTION NOVEMBER 8th

49,250 voters exercised their right to vote on general election day. Sixty five candidates were chosen for public office to serve at the state, county and town government levels. One hundred thirty-six election districts were open to receive voters.

TWO NEW ELECTION DISTRICTS

Pomfret District Eleven was created at the request of the Pomfret Town Board to provide voters a more convenient polling place. Residents of this area experienced unavoidable hardship, due to County Legislative district boundary changes.

Sheridan District Three was developed in accordance with the New York State Election Law. The number of enrolled voters in district two was unmanageable, therefor, it was divided.
