

National Lead Poisoning Prevention Week Social Media Toolkit

Information provided by the Lead Smart Partnership in collaboration with Allegany, Cattaraugus, Chautauqua County Health Departments and the Seneca Nation Health System. For more information, please visit LeadSmartWNY.org.

Post #1 – It's National Lead Poisoning Prevention Week!

It's National Lead Poisoning Prevention Week!

Did you know lead poisoning can have serious effects on a child's development? But the good news is — **it's preventable!**

✓ Here are **5 Steps to Protect Kids from Lead Poisoning**:

- 1 **Test your home** – It's easy! Contact your local health department for more information
- 2 **Wash hands often**, especially before meals and snacks.
- 3 **Wipe down surfaces** and **wash toys regularly**.
- 4 **Feed kids healthy foods** rich in **iron, calcium, and vitamin C**.
- 5 **Test your child for lead** at ages **1 and 2**.

Let's work together to keep our children safe, healthy, and lead-free!

Post #2 – Share this image and message with your selfies after you've completed the door hanger distribution project

Today we partnered with our local health department and the Lead Smart Partnership to Step Out and Step Up for Lead Poisoning Prevention by spreading the word about the dangers of lead poisoning and how easy it is to prevent.

To learn more about how you can prevent lead poisoning in your home and schedule a lead safe home inspection by visiting <https://LeadSmartWNY.org>
