2026 Santa for Seniors Project

The Santa for Seniors project has always been a shared County agency project and we look to the Chautauqua County agencies to identify clients they serve who may benefit from this outreach. In 2020, we developed a partnership with two local churches: First Baptist Church of Mayville and Hurlburt Church in Chautauqua Institution. These two churches are coordinating the donations, packaging, and delivery of Santa for Seniors' holiday bags. The bags have a premade holiday dinner ***or*** groceries if the client can cook and prepare their meals. The Santa for Senior project helps the individual to have a holiday dinner, holiday gifts, and useful household items.

Please use this form to make a referral for a client that your church/agency/organization serves that meets the following criteria. Any community member may nominate a Santa for Senior recipient as well meeting these criteria:

- Client is over 60 years old
- Client lives **alone and is not** going to be spending the holiday with family or friends
  -no one is coming to visit them and they are not going to see anyone
  -we are truly trying to find the most isolated clients and give them some holiday cheer.
