

# How to Determine Bus Fares

Private Pay fares can purchase one-way, round trip (unable to buy round trip on city buses), 10-trip, or monthly tickets.

All tickets may be purchased from your bus driver at the time of service or in advance from one of the CHQ Transit Offices at:

- 234 Hopkins Avenue in Jamestown, NY 14701
- 2 Aero Drive in Dunkirk, NY 14048

Our drivers **do not make change**, so have the exact amount for cash fares.

CHQ Transit accepts personal checks written for the exact amount. - Children 4 and under of age travel free when accompanied by an adult.

Escorts may ride at no charge, if necessary to help a rider. Call CHQ Transit Office to get authorization.

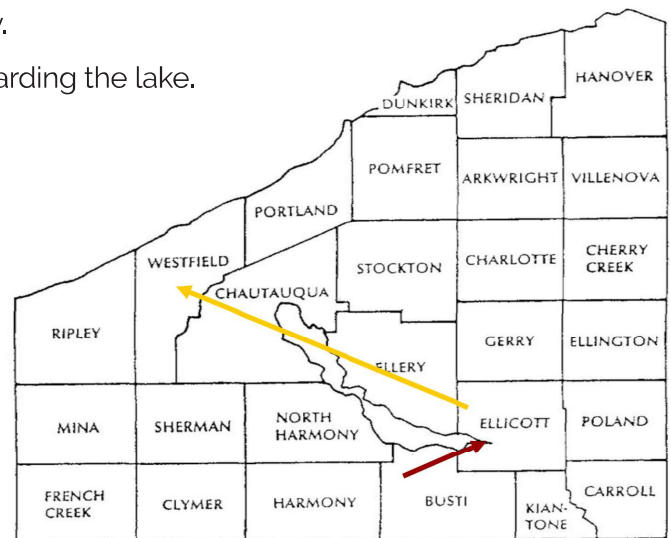

Fees for service are based on the current Base Fare rate.

- Base Fare is for any pick-up and drop-off that is at scheduled points or along the route, within one zone on a fixed route.
- Zones refers to townships within Chautauqua County.

When counting zones, count the most direct route, disregarding the lake.

*Examples:*

- *From the Town of Busti to the Town of Ellicott would be 2 zones.*
- *From the Town of Ellicott to the Town of Westfield would be 4 zones.*

Individuals with disabilities may qualify for discounts under the Americans with Disabilities Act (ADA) federal program. See page 34 of this book or call our office for more information.

Once you know how many zones you are traveling, use the Fare Chart located on the next page to determine the cost of your ride.

Questions? or if you want to verify the cost of a ride, call us at one of the phone numbers below.
