## Schedule a Free Travel Training Today!

Sometimes people feel unsure about riding the bus for the first time, which is why we offer travel trainings at no cost.

During travel training, our mobility manager will ride the bus with you. You will learn how to read the bus schedule, pick the best route, buy a ticket, and board the bus. You are allowed to ask as many questions as needed, we want you to feel comfortable riding the bus!

234 Hopkins Ave, Jamestown, NY 14701

Hi, my name is Ethan and I am here to help you with your bus needs! I want to help you travel to work, make doctor appointments, find jobs, or anything else that is hard without a vehicle. Call me to find a bus or ask for help.

## Benefits of Learning the Bus

Learning how to ride the bus gives people freedom and options. It will help you go to work, doctors appointments, and stores without needing a ride from family/friends. Riding the bus is also a safe and low cost way of traveling and is a great backup option!

## Cost

Your first travel training trip is completely free! Any additional trips will require the purchase of a bus ticket.

## Group Presentations

The mobility manager also provides public transit presentations at no cost. If your agency would like to schedule a group presentation for your employees, residents, or students contact the mobility manager.

## What is Mobility Management?

Mobility Managers work with individuals to solve transportation problems.

Our mobility manager ....

- Provides travel trainings
- Conducts group presentations and attends community events
- Coordinates resources with regional transportation providers and local agencies to identify and fill gaps in transportation services
- Implements and tests new transportation projects and ideas
- Can help answer your transportation questions!
