PERMISSION IS HEREBY GRANTED

To \_\_\_\_\_ whose principal place of business is at \_\_\_\_\_  
to operate or move the Vehicle or combination of Vehicles with Load, as hereinbefore described, the weights and dimensions of which exceed the limitations provided for in the New York State Vehicle and Traffic Law, over certain County Roads listed as follows, between the aforesaid points and the dates as indicated, when road and weather conditions are favorable:

Approved Routing of Vehicle on County roads: \_\_\_\_\_  
\_\_\_\_\_

Period of time from \_\_\_\_\_ / \_\_\_\_\_ / \_\_\_\_\_ to \_\_\_\_\_ / \_\_\_\_\_ / \_\_\_\_\_ Overdimensional loads to be transported ONLY on weekdays during daylight hours, no movements allowed on weekends or holidays.  
No time and day restriction on overweight loads.

Operations must be conducted, insofar as it is possible, to permit safe and reasonable free travel whereby all safety provisions for the movement of such traffic shall be provided by the permittee. Red warning flags size 24 inches by 24 inches shall be carried to warn and protect traffic, and as indication of oversize load moving.

In moving over any narrow section of highway or narrow bridge, where for any reason it is impossible to keep free and clear at least one full lane of pavement for passing traffic, each movement over such sections must be accompanied by flagmen, stationed at least 300 feet ahead and 300 feet following such vehicles so as to warn and protect traffic. Clearance must be checked on bridges and where there are posted bridges, a detour must be made.

It is understood and provided that this permit shall apply to COUNTY ROADS ONLY.

Overhead wires, cables, signal or traffic lights, limbs of trees, or overhead structures must not be disturbed, without first obtaining permission from owners thereof. If the height of vehicle, or combination of Vehicles and Load, exceeds 13 feet, movement shall not be started until after consents have been obtained from said owners.

In the acceptance of this permit the applicant further agrees to assume all responsibility and liability for damages to persons or property that may accrue during said movement of the Vehicles, through the negligence of himself, his agent or employees or from any other cause and to save the County of Chautauqua harmless therefrom.

This permit is issued pursuant to the authority conferred upon the County Superintendent of Highways by Article 10, Section 385 of the New York State Vehicle and Traffic Law, which provides among other things that all permits issued shall be revocable by the authority issuing them at the discretion of the said authority without a hearing or the necessity of showing cause, either before or during this movement.

(5) Superload definition is, for purposes of this permit, a vehicle with more than 7 axles and/or more than 117,000lbs

<sup>4</sup> Thin pavement fee applies to road segments with less than 7 inches of structural pavement  
This fee is \$.02 / lb / mile for each pound over 18,000lbs per axle
