RFP-SPECIFIC INFORMATION

A. SCOPE

The Chautauqua County Youth Bureau is issuing a Request for Proposal (RFP) for the allocation of Office of Children and Family Services (OCFS) Youth Sports Funding to support programs for **Chautauqua County youth ages 6-17**. Each applicant may request up to \$10,000 in funding to support programming.

Program/Service Area Priorities

Youth Sports Education Funding (YSEF) – Programs that enable youth to be active and encourage physical fitness. OCFS encourages a wide and flexible definition of sports that includes organized activities with movement, including physical fitness activities such as, but not limited to yoga, hiking, dance, and active outdoor pursuits.

Youth Team Sports (YTS) – Programs that support an organized physical activity. OCFS defines “team sport” as an organized physical activity in which groups of two or more individuals compete with two or more opposing individuals. Sporting activities where individuals engage in competition on behalf of an organized group including, but not limited to, team tennis, team golf, or racing sports such as swimming or skiing, are included in this definition.

Awards are guided by the following principles:

- Sports are effective tools in positive youth development and family engagement.
- Sports improve the lives of young people by promoting positive social, emotional, health and educational outcomes and have important life-long effects.
- Sports enable opportunities for young people to thrive through leadership roles.
- Coaching education greatly improves young people’s sports experience and development outcomes.

To ensure that funding is going to the intended population, municipal youth bureaus must distribute funds based on local need, considering factors, including, but not limited to, the following:

- Historically under-resourced communities.
- High rates of public housing and/or family homelessness.
- Opportunity zones or neighborhoods/cities/areas deemed “low-income” via externally available tools like the New York State Council on Children and Families Kids’ Well-being Indicators Clearinghouse.
- Marginalized communities or groups with higher barriers to participation in team sports (e.g., youth with disabilities; girls; transgender/gender non-binary youth; and youth who identify as lesbian, gay, bisexual, or questioning).
- Federally and/or New York State-recognized tribes and tribal organizations.
- Neighborhoods that experience higher rates of crime and violence and low-performing schools.

B. FUNDING PERIOD
